“ *Thinking of my friend Robert today as well as the entire Carpenter family. Our thoughts are with you on this sad day, but will choose to celebrate the life of Bob instead.
Goodbye to a good friend, will see you maybe again....*

“ *My thoughts are heavy with the passing of my old and dear friend. I send my prayers and good wishes to the entire "crew"...and Casey, you know you dad was much more than just a guy I worked with. Dad and I played the car-game for many over the last 25 years together and he certainly gave his whole heart to the business we chose to make a better life for those that we loved. I look forward to seeing my old friend when I hit the black-top in Heaven.*
