“ *As a member of the landscape committee and community of Marbella I speak for many who wish condolences to Bob's family. Bob gave many hours and was very concerned about our landscape. There was one palm tree that had a large crack in it across the street from him. He was correct on this as now the tree will come down.*

Many, many neighbors checked out the garage chair when riding by as Bob often sat there to rest after riding his bike or doing yard work. He was always ready for a friendly chat to walkers and drivers. I still look each time I ride by.

Every year Bob went all out with Christmas lights and lighted reindeer and we all appreciated and worried as we saw him up on the ladder. We will miss Bob and his friendly greetings. All the neighbors thoughts are with Barbara and the family.

“ *Over the past 15 years I have had the pleasure of knowing Bob and having been a teammate of his several times, as recently as last season, in the Collier County Senior Softball league. Always a great person to be around and a great teammate. Missed having him around this season.*

“ *Bobby was one of the first person I meet when I retired in the summer of 2010. We had many things in common, the love of MSU Spartans, softball and our old stomping grounds Michigan. We were also neighbors at Spanish Wells. He was one of the most even tempered person I knew and I never seen him get mad or say any thing bad about a person. I will miss talking to him but I won't forget him. My prayers and condolences go out to his wife Barbara and his family. Rest in Peace Bobby.*
