“ *I will never forget the love of this man, he and Beverly chose me as an infant and gave me the best of themselves. The lessons, many hard ones were the foundation that I stand on today. Though we went separate ways I have not nor will I ever lose the love and respect I have for him. My wife Cynthia and my son Eddie and daughter Rebekka never got to know you dad, but they love your spirit.*

Marilyn and family it is with deepest sympathies I offer our condolences, we will all deeply miss a great man.
