“ Just learned of Bobs passing. I have been out of touch since returning to the Midwest. I met Bob and Gsil shortly before we all moved to Florida before the turn of the century. We had some wonderful retirement years living near by and sharing holidays and golf games. Rest in peace, dear friend. Maybe we can get a fore some together for a round and all play in our next life. Peace, Jody Ladwig

“ I played golf with Bob for over 20 years in addition to being a friend. Bob was a special person. Those who played with him know he never hit a good shot. I was with him when he had a hole in one on Hurricane 15. He hit the shot and yelled "awe" and it went in the hole. He then said "yea, but I meant to hit it higher." As well as golf, we often shared a Tuesday lunch with other golfing friends. Our hearts and best wishes to Gail and the family. May he rest in peace and find the perfect golf shot. So long my friend.

“ *Cousin Gail: We are so sorry for your loss of Bob and pray for your daily strength for the weeks ahead. He was such a nice person and his woodworking ability was phenomenal! I am glad we were able to visit for a few hours the beginning of May.*

Much love to you and your sons.
