

## Dr. Robert Anthony Renza

May 25, 1936 - September 3, 2022

Dr. Robert Anthony Renza, a resident of Estero, Florida, passed away on September 3, 2022. He was 86. He was born in Peekskill, NY on May 25, 1936 to Anthony and Helen Renza, both now deceased. He grew up in Collingswood, NJ and attended Collingswood High School where he graduated in 1954. He then headed off to Franklin and Marshall College in Lancaster, PA and graduated in 1958. He attended the Philadelphia College of Osteopathic Medicine and received his medical degree in 1962. After an internship in Columbus, OH, he opened his medical practice in North Cape May, NJ where he treated patients for almost 50 years.

Robert was an avid tennis player and was the #1 rated player at both Collingswood High School and Franklin and Marshall College. He enjoyed being on the court, both to play and to organize matches. He was a long-time member of the Cape May Tennis Club where he sponsored and organized the annual "Men's 45 and Over Tennis Tournament". He also enjoyed skiing, and in his younger years, could often be found on the slopes of Pico, VT or Park City, UT. He loved to travel and his favorite activity was cruising with family and friends.

Robert was on the staff at Cape Regional Medical Center for over 50 years and was very involved in the medical community. He was a member of the Cape May County Osteopathic Medical Society and was instrumental in

organizing educational programs for the medical community for many years. He was dedicated to his patients and loved being a family doctor. He was kind and caring and devoted to his family and many friends. He was never too busy to listen and offer his advice and guidance. He will be sadly missed by all those who were privileged to know him.

Robert is survived by his wife Kristina, his brother Dr. Richard Renza (Debra), his children Robyn Lazaro (Gus), Skip Renza (Alison), Toni Freeman (Chris), Michael Renza, and Marlena Mazari. He is also survived by grandchildren Logan Lazaro, Monique, Olivia and Brooke Renza, Aubrey Foreman, great grandson Robert Anthony Shaw and many nieces and nephews.

Robert's wish was to have a celebration of life gathering in May when his friends and family converge in Marco Island, Florida.

Arrangements are being handled by Shikany's Bonita Funeral Home, Family Owned Since 1978.

“ *Dear Kristina, I heard from my son, Jeff Liebman, that the good Doctor Renza has passed away. He will be greatly missed. I remember when he and Dr. Bob stopped by my house after a medical convention in Florida. He was so talkative and just great to be around. He will be missed. Please take care of yourself and enjoy life. Sincerely, Barbara Liebman Finger.*

“ Of all the physicians in Lower Township the Renza’s were the most welcoming, friendly and well known. So many visits to see Dr Robert to set up educational programs and events. He was simply the quintessential family physician that unfortunately seems to be an exception when you look at todays Family physicians. He would help anyone in need as well as his entire family. My condolences to his wife, children and grandchildren as well as his brother Richard. May he fly with the angels.

“ Doc was a man of integrity, service, infectious optimism, and generosity. My life was made richer having known him. I always enjoyed our talks whether discussing family, the Eagles or medical issues.  
To Kris and family, we share the sadness with your loss, but heartened by so many terrific memories Doc shared with us over the years. He loved his family 💕. It was a privilege for us to know him.
