“ I will miss Bob's presence at The Terraces when I visit my Dad there. He always had a bright smile and an abundance of hugs each time I saw him....and he always made me feel good when he requested some of my homemade chocolate chip cookies. I was so saddened to hear the news of his passing, though find comfort that he is resting in Heaven. Keeping his family in my prayers....A loss of a parent is never easy but he will always be with you as his memory lives on in your hearts.
