“ *We are so sorry to hear of Ron's death. I (Teresa) worked with him about thirty years ago. He was very energetic and extremely knowledgeable regarding paint. He was great with customers and always wore a smile. After becoming friends with Stacey and Brian, several years ago, I learned that Ron had continued his career in the paint industry. I was happy to be able to visit with him at one of the kids graduation parties a few years ago. Again, we are so sorry for your loss and will be sure to keep your family in our prayers. Your family is very special to us and Stacey, Brian and the kids will always hold a special place in our hearts.*
