“ I will remember Mr. Smith, affectionately called 'Uncle Ron' in my family, as a person who lived life to its fullest and found something funny in every situation . I will most miss his sense of humor, rich laugh, and the smell of his pipe. Our thoughts and prayers go out to Rachel and Becky and their families- Lisa Irving

Ron loved his Florida home and each time we visited he would take us to a different scenic place. Virginia and I liked Sanibel Island, the beach and the everglades. I liked his swimming pool too. We did not go fishing with him but he liked talking about it.
