“ So many years full of memories! Your Mom was more like a sister I never had. My oldest memory was when I was 12 years old Rosie took me to the local drugstore and bought me my first pair of nylon stockings! I cherished them, wore them forever, even after they had “runs” I will always hold the many memories close to my heart. Feeling sadness for my nieces and nephews at this time. I know Rosie is where she wants to be - in my brother’s arms . Love and prayers to her wonderful children❤️ Aunt K and Uncle D.

“ My childhood trips with you, my brother, and nieces and nephews were my highlights growing up. You are now with Don, may your happiness continue into eternity. Hope you are both walking the beaches of heaven, picking up shells along the way. Lots of love. Little Brother-in-Law.
