“ *I have soo many memories with my brother , we were all very close . Some of the best were growing up on the farm with our sister Amy who passed away in 91 , having our older brother (Doug) and sister (Susan) coming to visit us it was such a great way to grow up . We remained close as we got older and lived farther apart . Same with Doug and Susan who are still living and me Andrew we remain close and talk often . He w'll be sadly missed by all who knew him but it leaves a big void in my heart especially . RIP Rusty*

Andy, I'm so sorry for your loss. Your family meant a lot to me growing up. Amy was one of my best friends and I am saddened everytime I think about her life being cut short. And now Rusty. My thoughts and prayers are with you and your family. Michelle Miller Pope

“ *"To find one true friend in a lifetime is good fortune; to keep him is a blessing." My favorite memory of Russell is the day he called to tell me his daughter, Chloe, had just been born and I could feel him smile from ear to ear as he described her as amazing and beautiful! with itty bitty fingers and itty bitty toes...perfect in every way. Rest in peace, Russell, you are sorely missed by all who had the privilege of knowing you....Linda*

“ *Greatest memory of Rusty is when we both went for a ride on his motorcycle to the beach. Then we stopped and he started singing and dancing on the motorcycle singing head over boots from Jon Pardi. He was so happy that day. I also enjoyed the loving relationship that Rusty and I shared together. Rusty will always be in my heart Lori* ❤️
