“ *Mrs. Georato, Donna, Dave, Rob and family we are saddened by your wonderful husband/dad/grandfather's passing. We are so blessed to have shared many special times together. We always looked forward to their trips north but forever will treasure our trip to Florida. Sal epitomized the word gentleman and it was a pleasure to see him with his wife and family. He looked at his wife with such love. We remember the outdoor roadside place we went to and can still see them slow dancing. We are blessed to have been treated like family on that visit. Our love and prayers are with you all. Love Mike and Dana Molloy and family*
