“ *So many memories, I've known the family for half of my life and there wasn't anything Sam wouldn't do for you if he could. Helped me fix my cars so many times and so many memories of when my kids were younger and Mrs Margie would watch them for me. He was a great man and he will truly be missed.*

“ My memory of Sam was, I had an old 15 passenger van I would pick up kids for church on Sunday's and Wednesday's it had lot's of miles on it!! The roof started to come off and it was going to be extremely expensive to repair. Sam spent most of the day sanding, drilling, screwing, sealing, the roof back on the old van, that repair lasted as long as I had that old van about 7 more years. Sam would not take a penny for his work!

“ I met Sam through my son Camron Verbanac and always admired what a wonderful, kind, honest, and loving man he was. I'm thankful he gave a part of himself to my son as a 'father figure'. We have list "one of the good ones". He will be missed always. Our deepest sympathy, Kimberly MacLaren (Verbanac)
