“ *What a lady! She was the essence of first class. Knew her all my life. She was the kindest, sweetest person and when I saw her she always looked beautiful. Best dressed always! I remember when she and Jay sent us ash from Mount Saint Helens when it erupted in 1980. Mimi and Buck so sorry for your loss. She and your Dad are together again raising hell in heaven!*

“ *Sandy was known for her great smile, wonderful laugh and huge heart. She was so generous and thoughtful to all who knew her. When our son was about 14 and had to undergo lengthy medical treatment and surgery, she delivered (in secret) gifts every day of his recovery. They were so cleverly chosen that he was completely thrown off the track as to their source. I met her just days after her arrival in Lake Oswego, very pregnant with Buck, her youngest. Her daughter, Mimi, was one of our daughter's "besties" and they remain so today. We did the best we could to stay in touch by phone and a few visits after the family moved east. The world has lost a fabulous person but, oh...what memories we have! Rest in peace, Dear Girl. Love you so much, Elaine--and Tom and Jill do, too!!*

“ *When we first moved in across the street from Sandy, she immediately reached out to me with her beautiful friendly smile; it began 20 years of a wonderful friendship. I could always count on Sandy for anything or just sitting out together laughing. We always checked on each other daily & always got hugs when we saw each other. I will miss you terribly my friend.*

“ I first met Sandy in 2003 while I was waiting on her at Roy’s restaurant. I had just finished my real estate course and I was telling her about it. She asked me to join her in her office so I did and the story goes on from there. Sandy was a good friend to me, a very loving, giving individual. I will miss her dearly.
