“ We think of you everyday Shane. I have always looked up to you and will cherish all of the great times we've had. Talking about music and movies, you playing me a song, telling jokes and stories, our laughs together. I will carry these memories with me always. We love and miss you.

“ Brenda and family. I was heartbroken for you when I heard this news in September. I have no words of wisdom except to say God Bless you and comfort you. I know how much you loved your son and I know he knew how much he was loved by you and your family. "When we all get to heaven, what a day of rejoicing that will be"! Hugs and love and be as strong as you can be as you try to come to some kind of terms with your tragic loss

“ So many memories we have made together big and small. You were the kindest most thoughtful person I have ever known. So much of me today is because of. You have left a deep impression and I will carry you with me. Lots of laughs and lots of tears and I am so grateful to have our memories and proud to have had you in my life.

“ While words fail to capture the pain of losing a loved one, we look forward to the time when words will fail to capture the joy of having our heavenly Father return Shane to you. Isa. 25:8.
