“ Keith, Cody, Kristy and Family,

*Our deepest sympathy goes out to you.
Sherry was a beautiful person inside and out
and will be greatly missed.*

*We will always remember and treasure the good times we had,
especially around the kitchen picnic table on 40th Avenue in
Calgary back in the 80's, (oh if that table could talk, Yikes....)
Also, takes us back to when Sherry introduced us to each other and
we married shortly after.*

We can still hear Sherry's laugh, which always brings a smile to us.

Rest in peace Sherry.

Until we meet again.

“ Keith, Cody, Kristy & family our sincere condolences. Your mother was a big part of my life growing up & we were frequent visitors in each others home. I know my parents & sisters have you in their thoughts & prayers as well.

My best memory of Sherry is when we shared our 1st apartment together & we thoroughly enjoyed our new found freedom. There were lots of laughs. When Tony & friends moved into the apt. below us, I think we nearly drove the building manager mad.

During this time we were given someone's cat to look after & managed to lose the poor animal. We couldn't figure out where it went to as we were on the 3rd floor with no balcony but we'd left a window open....it wouldn't try to jump?? There were no further requests for our pet sitting services.
