“ *Burnie....I am so sorry to hear of your loss. I know you will miss her dearly...*

“ *...played golf several times with Sophia - including once when it was pouring rain. Sophia proclaimed to all that were complaining, "don't worry none of us are sweet enough to melt!" She was sweet in a very feisty way and although we lost touch, she will always stick in my heart and mind as a real trooper and lover of life. God speed, Sophia...and to her family...remember how much she loved each and every one of you.*

“ *Sophia will truly be missed. She was a wonderful friend and one we will never forget. Her thoughtfulness for others and her compassion for life itself is what kept her going for these past difficult years. Why God decided to take someone this caring and full of life from us we will never know but our hope is that she is finally at peace and in a much better place than we are. We love you Sophia and miss you dearly.*

“ I remember when we were children and had holiday get togethers. and all three sisters and i would have so much fun. But since Sophia and I were closer in age, we would talk about what we would do "when we grew up". We both talked about becoming teachers and hairdressers, and neither of us did either of those! I will truly, truly miss her bright smile! Love you Sophia. Irene
