“ I remember when Sue and I played in Ladies Day at Bonita Bay Club Golf Course. That was a long time ago but she was always fun to be with! Condolences from Maryle Barbe.

“ Sue could envision uses for objects and materials that others might discard. We drove together to the weekly meeting of the Bonita Bay Quilters and one time we picked up a little chest of drawers that she thought would be perfect to store some of the many pieces of fabric and yarn she had collected. It was sitting on a neighbor's driveway, ready to be hauled away, and that seemed a shame to Sue. She asked me to put the chest in a corner of her garage....and not to mention it to Bob!
