“Michelle was a long time friend to many here in Indianapolis....All her girlfriends here remember her big Tennessee smile and accent....her love of Golf and her kitties ! She fought this dreaded disease for so many years but I never heard her complain even once. She accepted this as her battle to bear and was always ready for the next party or golf game ! She will be greatly missed by myself and so many others . I pray she is with her mother, Mike and all the kitties that went before her ! ( CC, Blizzard ) We love you Michelle, you can rest now .

“Lots of fun memories from traveling to Italy for a cooking class, meeting up in London for drinks, or being neighbors in Hummelstown. I still have our group photo from Italy where I look at it daily reminding me that good friends food and wine are a great combination.
