“ *Suzanne was a friend and colleague who welcomed me to the Washington VAMC with laughter and warmth. She was a dedicated nurse who loved her patients. Suzanne was tough when needed but mostly kind, caring and loving. My husband and I played golf on occasion with Suzanne. Well...to be honest we mostly laughed and sometimes made a shot or two. She made a difference for so many and will be missed. My sincere condolences to her family. RIP Dear Suzanne.*

“ Suzanne was a friend at Aston Gardens. When my husband injured his hand during a nasty fall, she was quick to offer her nursing skills. She was such a fun and loving woman. Rest in peace, Suzanne.

“ We knew Suzanne, in the final year of her life, as a neighbor just down the hall at Aston Gardens.
It did not take long for Suzanne to make friends here. Her personality guaranteed that she would have many friends who cared for her.
She provided lots of laughs in our conversations. On the light side, Bill enjoyed telling her how to pronounce Baltimore like a true native of that city, upon which she would remind him that he was from Jersey and had no room to talk!

She is truly missed by many. RIP girl.

We knew Suzanne as neighbors in Cypress Island. We had something in common both being Sullivan girls. Suzanne always had a smile or laugh and must have been a joy to her patients. Roger and Dorothy Bleck
