“ Amy and Jennifer,

I was a co-worker at Hamilton. How many stories could be told....A vivid memory was a Christmas party at your folks home when you were very little girls - how proud your Dad was of both of you and the stories about you he so lovingly shared. A no-nonsense man (which many appreciated) in addition to always looking for a solution when it came to his students/building - no obstacles, just bridges. A smile, a joke, a word of encouragement - that's why you wanted to be around Syl. He will be missed but always remembered for the mark he left in this world.

P.S. I'm sure he will be leading the Halloween Parade in heaven!

“ Amy and Jennifer, I was so sorry to hear of your dad's passing. I was secretary at Lannon for many years and he was one of my favorite "bosses". He was such a caring man and even though he suffered from arthritis, he would always be out on the playground rain or shine playing with the kids. I know the hundred of kids (or more)he interacted with over the years will never forget him. He was a wonderful man and one I admired greatly.

“ Amy and Jenny, We were so sorry to hear about your father's passing. Syl and I worked together for many years in the Hamilton School District and had many good times sharing our experiences not only at work but on the golf course as well. We could always share a good story or joke, and he knew many. I've lost a long time friend, but he will always be a part of my memories. Terry Tuttrup
