“ *To the Hopkins Family:*

I first met Terry a number of years ago through our squash racquets memberships at the Hamilton Thistle Club and we shared many a game, pitchers of beer and great bull sessions around the old locker-room round table. Terry was a delightful man, with a wry wit and a hearty laugh. We last saw Terry and Pat at a social gathering at Bonita Beach about three years and discussed at length his dealings with multiple myeloma, with which our family is unfortunately quite familiar. I am terribly saddened that it ultimately took a very good man from this earth. Please accept the sincere condolences of myself and my wife Rosemary.

“ Dear Pat & Family,

We are very saddened to hear the news of Terry's passing. We haven't seen you in many years but we have had opportunities to think about Terry as we often run into other former Aisco people and of course the discussion always comes around to what a fun time we had at Christmas parties, business trips, and social gatherings at your home and on your boat.

Terry was a true gentleman and always had a kind word to say. He hired my husband on a co-op assignment and then again after graduation in 1989. Terry was a great mentor and friend for my husband some 25 years ago. We will both remember Terry fondly. Please accept our sincerest sympathies during this very sad time.
