“ In 2019 when Terry's husband John was going through his final illness and his final passing, his Aunt Charlotte who lived nearby Terry & John was also ill. So on top of everything that happened to Terry surrounding John's death, Charlotte needed her help as well. Terry & I tried to share Charlotte's care but I became ill and was unable to travel to Florida to be with Charlotte when I was needed so Terry had to hire someone. I am John's cousin & Charlotte's niece and I live in Savannah, GA. By the time Charlotte passed away, I had gotten well so I came down and Terry and I spent several days cleaning out Charlotte's house. We worked hard but it was the most time we had ever spent together & we had a good time as well. She was a very special person and I wondered if my aunt knew how lucky she was to have Terry in her corner!
