“ *Dear Donna, Tom and Tim. I just learned of Tom's passing after receiving the Secina magazine this month. I supplied oil and gasoline to Citizens Gas and Tom was the purchasing manager. I enjoyed working with him and built a friendship along the way. Please accept my condolences and count on my prayers. His dedication to the girl's softball team always came first.*

“ Donna, Tommy and Timmy. I am sorry I was unable to make the service for Tom on Saturday, I had another commitment. I had to send a message because we have known each other a long time and we were neighbors for 20 years plus?

Okay so here is my story. Our youngest son Chris graduated in '98 from Scecina. It was prom night, and yes the girls had a game that day. We had about 10 couples come by our house for pictures and I had them all lined up on the sidewalk at the bottom of the driveway. I had the girls turn around so I could capture the back of their dresses and they saw that Tom was out on his porch (3 doors down and across the street). The girls that played softball for him all took off running (as best they could in high heels and a long gown) down the street to see him. They all loved him and it definitely showed. I wished I would has snapped a picture of them running down the street, literally!

Tom will be missed in Florida and Indiana. Our hearts go out to all of you for the loss of your husband and father. God speed Tom Moorman, May you Rest in Peace.
