

Timothy John Mavrogeorge

May 1, 1988 - September 18, 2019

Timothy John Mavrogeorge, 31, lost his struggle with PTSD and addiction on September 18th at his home in Naples, Florida. He was born May 1, 1988 in Antrim, New Hampshire, the son of John H. Mavrogeorge and Audrey S. Bedard.

Timothy was a combat veteran, having served in Iraq in 2007 as a Cavalry Scout with the 3rd Armored Cavalry Regiment. He came from an extensive family lineage of military veterans who have served the United States, in every branch of the military, in every major conflict, since World War II. Timothy was proud of his military service and believed the greatest honor was to serve in battle, which he did honorably. He was an avid outdoorsman, a welder and had a passion for taking care of animals. Timothy is survived by his parents, 5 remaining siblings, nieces, nephews, grandparents and numerous first cousins, aunts and uncles, who will all miss his bold personality and humor.

The family will receive friends on Wednesday, September 25, 2019 from 11:00 am to 12:00 Noon at Shikany's Bonita Funeral Home 28300 So. Tamiami Tr., Bonita Springs, FL. Where a celebration of Timothy's life will begin at Noon with military honors.

This pain it never stops...it lays quietly in my heart and loves to rear it's ugly head just when I think I am ok...I know in my heart I will never be ok again...I miss the talks we used to have. To Audrey, the Mother of Tim, I have no words to tell you how so incredibly sorry I am for your unimaginable pain & loss. I have never met you, but I pray everyday for you & Tim's other Family members. I used to work with Tim for nearly 2 years, & though I didn't know him that long, my heart has ached of his passing. He was a person that really stood out to me more than most. I have no words to offer you to ease your pain, but please know that you are in my daily thoughts & prayers. In tenderness, compassion, & love & peace, Laurie Anderson. 💕

“ I worked with Tim at the JW Marriott on Marco Island. We were hired together in room service. We quickly became friends. Tim was funny, intelligent, kind hearted and just an amazing person. I remember him always having that smile of his when I saw him. When he left the hotel, we kinda fell out of touch. I hate that I wasn't a better friend and I wish I knew what he was going through. God bless him and his family. He will be deeply missed.

“ *We live down the street from Tim and met him just after he got his dog, Frodo, who loved to get out to explore. We helped him retrieve Frodo several times and talked with him about how much he cared for Frodo. Tim was a nice guy and will be missed.*

“ I was Timothy’s neighbor since he moved into the estates. Such a vibrant personality and massively funny. We had a few jobs together and he was my best friend.

“ My deepest heartfelt compassion & Sympathies to Tim's Family, Relatives & Friends. I am so incredibly sorry, & wish you all tenderness, healing & peace, one day at a time. I came to know Tim over 2 years ago as a co worker & colleague at Collier's Reserve in Naples. He had such a vibrant personality, professional conduct, great sense of humor, a warm smile & such sparkly big brown eyes. He also loved animals, especially his 3 cats. He really stood out to me. I am deeply saddened to hear of his untimely passing also. I have utmost respect for his bravery & dedication in the Military. I came across a W.W.2 Jackett, & in the pocket was a medal of appreciation, which I gave Tim. He accepted it with both appreciation & humbleness, in just saying, "I had a job to do, so I did it". Thank you MORE Timothy, & God speed. Your soul is pure & free & protected in the love & light of our Creator. 💕💕💕 You will NEVER be alone.

Prayers & thoughts to all who were blessed knowing Tim, especially to his Mother & Father, bringing Tim into this world, enriching all our lives. Peace, Laurie Anderson. ❤️

I'm so sorry. I'm was neighbor, we where friends for a good while. The way this country treats veterans such as your son boils my blood. I'm currently out of state and I can't believe he is gone. Just the other day he showing me a trailer he had welded. My deepest condolences. He wanted me to fix his computer because he had sensitive files from his time in the service. If you'd like I'd be honored to retrieve all the information and pictures for you.

“ *Dear John and Audrey and the entire family, No words can every express how heavy my heart is at the passing of Tim. I did not know Timmy well, not like a lot of other family members do. I met him as a little boy and I knew about how he grew up to become a soldier and serve our country but time and distance kept us apart and I never got to know the young man that you have loved so deeply and lost. I know your tears and I know your heartache because our children are always our babies. I love you all and my heart grieves with yours. Please hold on to the Savior who bled and died for us all and prepared a way for our eternal life. I believe God is the God of all Mercy and that you will see your precious son and brother again. He rests in Peace with Mom and Dad and Uncle George and Tia and his cousins. We shall see him once again. Only God knows the heart of a man. From what I have learned of Tim he had a tender and broken heart and God's word says that He is close to those whose hearts are broken. Psalm 34:18" "The Lord is close to the broken hearted and saves those who are crushed in Spirit. We can take hope in God's promise. My love and prayers extend to you. Your sister, Angie*

“ I shouldn't be writing these words for you...
You should be writing them for me son.

How do I find the words that express my love for you?

How do I draw a picture that captures who you are?

*The challenges you conquered from the moment you were born,
The joy you filed my heart with as a precious little boy.*

*Fathers are heroes to sons,
But Sons become heroes to their fathers
When we see the men that they become.*

*The world saw in you a fierce man...
A hardened man....
A man who wielded a Warrior's sword..*

*But I saw you as a Warrior of compassion,
Who could also take that sword and heat it,
And forge it into a fragile rose.*

*I wish my son, that I could have taken your pain inside my heart and
shield you,
As I did when you were my little boy...*

*I would have given my life, if it would have saved yours,
Because that is the heart of a Father,
But you would have insisted on your life,
Because yours was the heart of a compassionate Warrior.*

*Rest my Son, abide in my heart...
Trust as I grow frail...
I have 3 more Warrior Sons, your Brothers...
Who will take up the gauntlet in your stead.*

*Forever Son, My Son Timothy
You will be your fathers Compassionate Hero*

*Till we meet on the other side, Son
I remain your proud and loving Father.....*
