“ I will tell you all...as her cousin who was far away, she never missed a card to me!! Any holiday, I always got a card from her, for whatever reason, she probably knew I needed it!! I hadn't seen her since I was little, but remember that side of my irregular family forever! Rest in peace sweet Vic, I always remembered you no matter what our lives threw in front of us!!! “ To Bob, John, Sheila and the kids:

*I'm so sorry for your loss. I know I wasn't the best husband, but I truly loved her with all my heart. I know I had a poor way to show it. She had a place in my heart from the first time I set eyes on her. She loved her family more than anything and rightly so. I hope that one day you all will forgive me for the way I treated her. If I had to do it all over again, there would a lot I would change and for the better.*

*Once again, I'm so sorry that she is gone. Now she does not have to hurt anymore and she can find the peace she has always searched for.*

*All My Love to you all,*

*Tom Barrett*
