“ *Vincent & Anthony,  
Sorry to hear of your Dad's passing. Even though we haven't had much contact through the years, I know what it means for lose a Father. Your Dad made numerous trips to Pitcairn through the years and his love was felt by our whole entire extended family. It is and was always a great honor to be a member of the Petrocelli family. God Bless. Again, my deepest sympathy.

“ *My sincere condolences to the Petrocelli family. I'm so thankful that I had the pleasure of spending some time with Vinnie during a special holiday meal in Estero a couple of years ago. Vinnie was very proud to show me how to crack open a king crab leg and would then hand feed it to me! I know my mother, Helen, enjoyed his friendship so much. He will be missed by many, and remembered as a kind man with a big heart.*

“ My deepest sympathies. I loved "Pappa" and the good times we all shared. Yes he was very opinionated, but that was part of his charm! I'll never forget when I lived down the street from him and he dog sat Guss. He must have asked me 6 times before I left what his name was. When I returned, he told me he couldn't believe how wet his floors got from Guss drinking from the water bowl. He had his mop at the ready every time he got a drink (probably the most he ever mopped that floor)! He will be missed by all, but he will suffer no more. God bless all of you.

“ *Our sincere sympathy to all the Petrocelli family. We only knew Vinny for a few years, but that was long enough to know that he was an outstanding man. He truly owed his family and all his friends and had a great love of his faith. He will be sadly missed. Marge & Don Baune*
