“ *So very sorry for the loss of your dear loved one. In times of this nature, all of us need encouragement and comfort, how we appreciate those who lovingly offer it! Comforting implies taking time to listen, understand, and help. I pray that you find that with your 'family and friends' as well as the promises of Jesus at Luke 23:43 where he said: "Truly I tell you today, you will be with me in Paradise."*

“ As a new deputy in the winter of 1982 I was caught by Vivian while removing freshly fried bacon from the old jail in the old building A at the courthouse. Lucky to escape alive! Loved her and will miss her very much,(Big Mac (0311)).

Loved Vivian. She was a wonderful woman and a great cook. She used to call me on the mornings she was making grits in the jail, she knew they were my favorite. When I got back there she would always have a big bowl waiting for me. I'll miss her. Love and prayers.

I remember when she would cook chicken, she would always ask "Do you want flying or walking?" She made the best grits in Collier County. Thoughts and prayers for her family. David Knickerbocker...the original CCSO # 153.

There will never be another Vivian. She was a one of a kind and the best. Those cookouts that I put on were the best because of Vivian. God bless her and her family. Russell Davis #142
