“ *Mr. Corum inspired me to be a teacher. My memories of him have continued to shape the way I interact with my students and motivate me to be the best teacher I can be every day. I am so glad he was my 8th grade science teacher, and I still have my leaf collection!*

“ *We were saddened to hear of Bud's death. We have many fond memories of him and all of your family from Sycamore Presbyterian Church. Bud and you Harriet were both such great teachers when our boys, Johnny and Andy, were in the Sunday youth program. We are all thinking about you and your family at this sad time. We are still at Sycamore, and hope you will come back to visit when you are in town.*

“ We loved Bud...he played golf with Jim so many times, we shared great times at our get togethers in the shelter house at Collins Bay, we played pickleball with Bud and Harriet. What a sweet, kind person. We offer our thoughts and prayers to Harriet and the family.
