

Willard T. Bullock, 3rd

November 6, 1935 - April 3, 2020

Willard T. Bullock, 3rd, age 84, of Rehoboth Beach, Delaware, and Bonita Springs, Florida, passed away on Friday, April 3, 2020. Known affectionately by all as Bud, Mr. Bullock was devoted to his family, his faith, and his country. He was born in Chester, Pennsylvania, to Willard T. Bullock, Jr., and Mabel (Mosteller) Bullock. His father died tragically in 1943, leaving his mother to raise him and his three younger siblings.

Bud attended Ridley Park High School and earned a bachelor's degree in political science from the University of Delaware. He served in Europe as an ambulance driver in the U.S. Army. Bud married the love of his life, Barbara (Schollins), in 1965 and built his world around her and their four children. He made his career in financial services, working at Delaware Trust, First Pennsylvania Bank, CoreStates, First Union and Wachovia before starting FirstStates Financial Services Corp. with his good friend and business partner Ken Christian.

Bud was an avid golfer, both in Rehoboth Beach and Bonita Springs. He coached all of his boys in Little League, enthusiastically supported his daughter's love of the arts and traveled all over the country to cheer on his grandchildren in their various activities. A diehard Eagles fan, Bud held season tickets and attended games for 40 years. He loved gatherings with friends and family and was never hesitant to strike up a conversation,

impressing all who met him with his warmth, compassion, and decency.

Bud is survived by his beloved wife of almost 55 years, Barbara; his children Barb (James), Bud (Nina), Andrew (Tina), and Michael (Liz); six grandchildren: Will, Addie Rose, Lucy, Audrey, AJ, and Emma Mae; and his brothers James (Elizabeth) and John (Dixie) and his sister Mary Anne. Bud was also a wonderful brother-in-law and a beloved uncle to many nieces and nephews.

The family is planning to hold memorial services in Delaware and Florida at a later date.

Instead of flowers, the family suggests making donations in Bud's name to St. Edmond's Catholic Church in Rehoboth Beach, Delaware, or to St. Agnes Catholic Church in Naples, Florida.

“ *It has been two weeks today that Barbara and the entire Bullock family lost Bud.
Not only is this loss of a kind and gentle man been a loss to them but also to everyone who knew him. It is hard to believe that we will not see him again playing Twilight at RBCC and bringing us up to date on the accomplishments of all his talented grandchildren. He will be missed by many.
This virus that took him is the nefarious work of very bad people. Let us never forget.*

“ When we think of Bud, we think of family. Our families have shared many wonderful, memorable experiences: Super Bowl Sunday, going to the beach, boat rides, and our all time favorite having crab feasts. Each event was filled with fun and lots of laughter.

Bud was a gracious, cordial host and welcomed everyone into his home. He never ever neglected to compliment Barbara on the delicious meals she had prepared.

I know your family all have broken hearts but you are filled with beautiful memories of your husband and father.

Bob and I express our heart felt sympathy for your loss and hope you can find comfort in the memories of Bud/your father/your grandfather.

We will cherish all of the time we spent with each other and all of our memories of being with such a devoted wonderful couple.

May the grace of GOD be in your hearts during the days ahead and always,

Sue and Bob Clark

“ Barbara & Family

Please except my condolences on the loss of Bud. Having grown up on Stiles Avenue in Ridley Park .My memories of Bud go back as far as I remember. My late brother, Jack was very good friend of Bud, and his brother Jimmy. Jimmy and my brother both graduated from R.P.H.S.in the class of"55".

Even though he was 7 years older then my group of friends.He always treated use with respect. I enjoyed seeing Bud at the all class reunions every May.

Sincerely
