“ *Bill was a kind soul and my family felt safer knowing he was our neighbor in Fountain Lakes. We had dozens of roadside conversations about family, friends and life. I know he is racing his Harley in heaven. GodSpeed, Billy. Our condolences to Brittany and family.*

“ *To me he was Uncle Billy! I will always remember him sitting the Ardsley police car in our driveway. He was the coolest uncle. I have tons of great memories with him. You will be missed. See you on the flip side!*

“ Words fail; at least they fail me?! Life was not kind to Billy. He made is way and built his armor like the rest us. But he would have liked to be more of himself. We spoke on and off over the years. Last time I told him he was was a good person; better than he thought he was and to be good to himself. The world is a cruel place for anyone that is a little different; Billy was a kind, caring, sensitive person, but the world would not have it and tried to make over him. Beneath it all he had a good heart! I knew the good heart and for that I'm glad. Billy - love you and you will be missed! See you around the corner...
