“ *Dear Colleen and family,*

We were saddened to see this in the Milwaukee paper this week. We've missed seeing you since we left 82nd and Holmes and every once in awhile we drive by the old neighborhood to see what they have done with our place. Bill was so young yet. I have a picture of me driving a boat just like the one shown with him. We shared a love of the outdoors for sure.

On behalf of the Geueke family, please accept our deepest condolences.
