“ *Dear Bonnie, Cindy, Chris, and Julie,*

We are so sorry about the loss of your Dad. We have special memories from the friendship between your parents and ours. We enjoyed playing on the farm with all you girls when we were young. I have one memory that stands out over all the others. Your Dad had allowed me to ride one of the horses, when the horse decided to stop and put his head down. I ended up sliding right down his neck! Obviously, I wasn't good at riding.

We are thinking of all of you and are sending our heartfelt sympathy.

“ Dear Bonnie, Chris, Cindy and Julie,

So sorry to learn of Bill's passing. Fond memories will always be with us of Bill and Carol driving to Fort Devens in 1953 to pick Gordon up after his discharge from his service in Korea where both he and Bill happened to be stationed at the same time. Bill was able to locate him and met with him over there.

*Love,
Gordon and Doris*

“ So, so many memories of spending time with the family all the way back to Bartlett road and him giving me a lift on to a horse with Bonnie and then on Dix Rd where one of my fondest memories is of him yelling and Chris and I for jumping on her brand new bed before you all moved into the house that was in fact still under construction at the time... every time I smell a cigar, it invokes the memory of your dad. He's resting now with your mom....Hugs to all....Chris, Bonnie, Cindy and Julie....
