“ *Dear Pat & Family, My prayers and thoughts are with you all at this difficult and sad time. Bill was a dear cousin and a best friend. Many wonderful memories will help all of us soften the burden of sadness and emptiness at his passing. Bill was a man of spirit, courage, generosity, compassion to name only a few of his many attributes. Although we traveled many different paths over the years since our youth, I am grateful for the pleasures and privilege of those times when we could enjoy each others company. Yes, Pat and family, Bill will be sorely missed. Here's to Bill, well done good and faithful servant may you rest in peace.*

“ Pat and family,

When I received a message this morning from Mike Powerly, I was in shock. So many memories were sparked, as I sorted thru the memories I went from crying to laughing out loud. Bill & Pat & our group of close friends were a family while we were @ ORD . Even though all of us went different ways the Love for each other remains,
