

William Thomas "Tommy" Mulroyan

September 30, 1944 - September 28, 2017

Tommy was born on September 30, 1944 to William Stanley and Patricia Adele (Hardy) Mulroyan in Elmhurst, Illinois. Brother Donny and sister Judy followed to complete the family.

Tommy married Betty Exline on February 3, 1965 in Wheaton, Illinois. This union brought Tommy's first child, Tammy.

Tommy worked many odd jobs throughout adulthood and liked to keep busy even in retirement. Never one to stay in any one place too long he lived in Illinois, Minnesota, Wisconsin and Montana.

On February 22, 2017 Tommy celebrated 10 years of sobriety and was very proud of it. After obtaining sobriety he enjoyed a renewed relationship with his daughters Missy and Lyssa. All of his daughters meant the world to him. Tommy also realized another dream- buying not one, but two Corvettes! He was affectionately known as Corvette Tommy.

Tommy enjoyed tinkering with cars, painting and doing miscellaneous repairs. He also enjoyed pampering his cat Pepper and also Smokey before him. Tommy had the opportunity to travel to Las Vegas and the Grand Canyon and spent many mini vacations in Florida with Tammy. Most recently he went on a cruise with Tammy and Missy, jokingly stating that he finally had a woman

chasing him and her name was Hurricane Irma! While in the Cayman Islands, Tommy went swimming with the stingrays at Stingray City! Above all Tommy enjoyed spending time with his family, especially when there was food involved.
