“ *I am Jane Watson Cunningham, Dr. Watson's daughter. My father was one of the founders of Doctors Hospital. I knew Dr. Nagy for many years, He took care of my Mother and was a respected member of the medical staff at Doctors Hospital for many years. Along the way when I resided in Columbus, he was my family doctor. I also knew Ruth. You have our sincere sympathy. We are losing many friends and the "old" timers of Doctors Hospital history are gradually fading away. It is very difficult to say "goodbye" to ones father. May memories sustain you and smiles return to your faces when you think of times you shared. He will live on in the example he set for each and every one of you children and grandchildren. Emulate him. He was a wonderful, loving role model. Our thoughts and prayers are with you.*

“ *Bill, David and Barbara your dad was a great friend from the time that we became your next-door neighbor in 1969 until his death. We shared many great times together and I of course will never forget taking Bill and Ruth to the Cayman Islands for the first time in 1972. Although I have moved from Worthington Hills I was able to continue our friendship through our ownership at Harbor Heights. You all were very lucky to have the parents that you had. In your sorrow remember how great they were and be thankful.*
